Judges

The Court orders that the January 28, 2005, order of the Kent Circuit Court – Family Division denying appellant’s petition for waiver of parental consent for an abortion is **AFFIRMED**. Upon review of the present record, the Court is persuaded that appellant failed to meet her burden of establishing that (a) she is sufficiently mature and well enough informed to make the decision regarding an abortion independently of her parents or (b) that granting the waiver would be in her best interests. MCL 722.904(3).

Judge Markey would remand for clarification and further proceedings.
